

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

RESEARCH PAPER REVIEW & SUPERVISOR APPROVAL APPLICATION

Date: 16th September 2026

To,
The Project Supervisor,
Department of Computer Science & Engineering,
KIET Group of Institutions / Institute of Technology,
Delhi NCR, India.

Subject: Submission of IEEE Research Paper Draft for Review and Approval for Target IEEE Conferences

Respected Ma'am,

We are writing to submit the full manuscript of our research paper titled **"Crime Vision : Hotspot & Trend Intelligence Platform using Machine Learning, Web Scraping, and Geospatial Analytics"**, developed as part of our B.Tech Major Project.

The research paper has been authored strictly adhering to the **IEEE Standard 2-Column Format**. It incorporates complete mathematical modeling, empirical evaluation results (K-Means Clustering with Silhouette Score of 0.742, Random Forest Classifier with **97.3% Classification Accuracy**, and Linear Regression with Exponential Smoothing), real-time Selenium web scraping, and citizen safety intelligence architecture.

Target IEEE International Conferences for Paper Submission:

1. **IEEE INDICON 2026** — IEEE India Council International Flagship Conference (Scopus / IEEE Xplore)
2. **IEEE UPCON 2026** — IEEE Uttar Pradesh Section International Conference (Scopus / IEEE Xplore)
3. **IEEE CONECCT 2026** — IEEE Bangalore Section International Conference (Scopus / IEEE Xplore)
4. **IEEE GUCON 2026** — IEEE International Conference on Computing & Communication

I request you to kindly review the attached research paper draft, provide your expert comments and remarks regarding the paper status, and approve it for conference portal submission.

Yours Sincerely,

Group Name: PCSE27-09
Branch: Computer Science & Engineering
Project Domain: Machine Learning & AI

Verified & Forwarded By:

Project Coordinator

They have written the research paper. After some amendments paper would be submitted in one of the Scopus Conference mentioned above)
